

## Public consultation on the draft BEREC Work Programme 2015

Run from 29 September to 24 October 2014

According to Article 5 (4) of the [BEREC Regulation](#) BEREC has to adopt its annual work programme for the next year after consulting all interested parties.

Therefore during its [20<sup>th</sup> plenary meeting \(25-26 September 2014, Rome\)](#) the BEREC Board of Regulators approved the [draft BEREC Work Programme 2015](#) for submission to a [public consultation](#), which ran from 29 September to 24 October 2014, with an oral hearing at the [2<sup>nd</sup> BEREC Stakeholder Forum meeting \(16 October 2014, Brussels\)](#).

During the public consultation BEREC received 20 contributions from stakeholders, including incumbent and alternative operators (fixed, mobile, cable) and users associations.

Following the public consultation BEREC reviewed the draft Work Programme taking into account all relevant comments and responses as far as possible. All individual contributions received during the consultation, as well as an explanation how they were reflected in final BEREC Work Programme 2015 are published on the BEREC website.

The final text of the [2015 BEREC Work Programme](#) was adopted at the [21<sup>st</sup> plenary meeting of the Board of Regulators \(4-5 December 2014, Brussels\)](#).

The Work Programme was transmitted to the European Parliament, the Council of the European Union and the Commission by the BEREC Chair 2014 and the BEREC Chair 2015 (letter with ref. No [BoR \(14\) 200](#)).
