BEREC

The logo for BEREC (Body of European Regulators for Electronic Communications) features the word "BEREC" in a bold, sans-serif font. The letters "B", "E", "R", and "E" are dark blue, while the "C" is a dark red. A thin, dark blue curved line starts under the "R" and sweeps under the "C", ending under the "C".

Fundamentals for 2018

- BEREC Mid-term strategy: A strong basis for the 2018 WP
- Focus area 2018: Proactively tackling the 5G challenges
- Harmonisation: promoting the single market
- Enhanced engagement with stakeholders

Destination 2018 – the long march

BEREC Mid-Term Strategy 2018-2020

3 overarching objectives

**Promoting competition
and investment**

**Empowering and
protecting end-users**

**Promoting the
single market**

- Responding to connectivity challenges and to new conditions for access to high-capacity networks
- Monitoring potential bottlenecks in the distribution of digital services
- Enabling 5G and promoting innovation in network technologies

BEREC
WP

- Fostering a consistent approach of the net neutrality principles
- Exploring new ways to boost consumer empowerment
- BEREC Obligatory Work and Stakeholders Engagement

Tackling the 5G challenges

BEREC proactively tackles upcoming challenges and supports the consistent deployment of 5G in Europe

A variety of projects addresses 5G hot topics

- 5G / IoT and network security
- Coverage obligations
- Award and authorisation procedures
- Infrastructure sharing
- Net neutrality input to an evaluation

Close cooperation with relevant institutions

BEREC promotes the single market

BEREC develops consistent regulatory practices accross Europe through

- publishing best practice reports and common positions
- monitoring and benchmarking
- exchanging on ongoing net neutrality and roaming procedures between NRAs
- agreeing on IoT indicators to collect data
- working on a single European contract information sheet

Enhanced engagement with stakeholders

BEREC plans more public consultations and involvement of stakeholders at different stages of the process

Two-stage public consultation

- exploring different aspects of „data“

More interactive exchange with stakeholders

- by using an interactive consultation tool

Engagement with European and international institutions

- by reaching out to new partners
- strengthening existing partnerships

BEREC contributes to the Review

BEREC has actively contributed to the Review process from an early stage and will continue to do so

BEREC strongly supports

- the connectivity objective and the Gigabit society ambition set by the Commission
- that NRAs should have an important role to play in relation to market shaping aspects of spectrum allocation
- a common set of competences to ensure the consistent application of the framework

Fundamentals for 2018

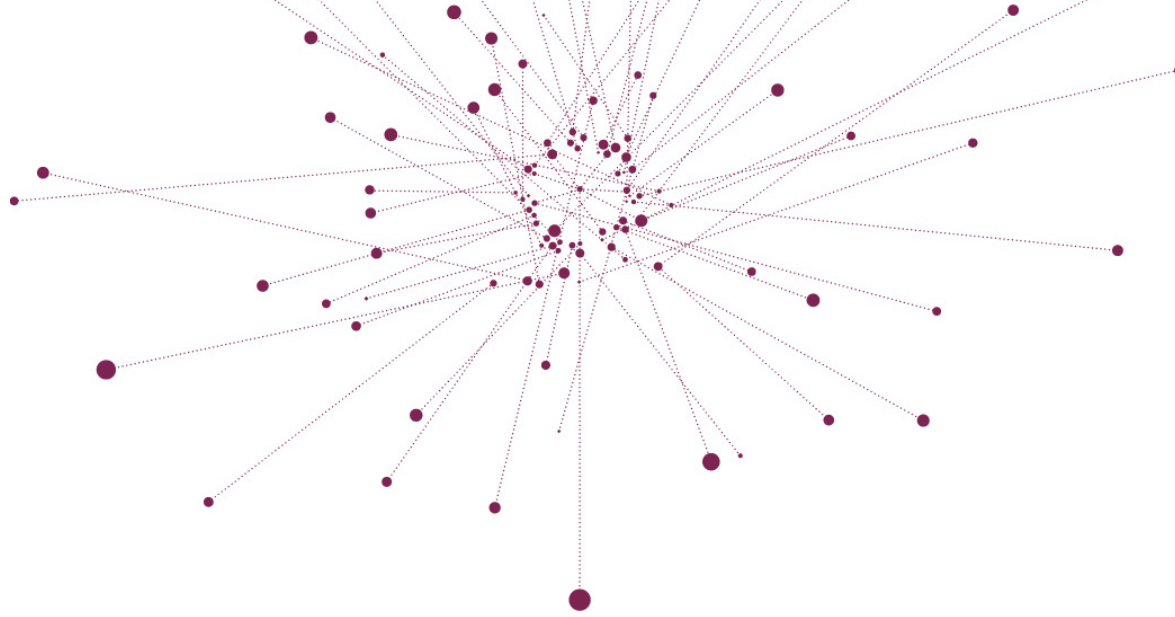

- BEREC Mid term strategy: A strong basis for the 2018 WP
- Focus area 2018: Proactively tackling the 5G challenges
- Harmonisation: promoting the single market
- Enhanced engagement with stakeholders
