BEREC SELECTS ADMINISTRATIVE MANAGER AT ITS PLENARY MEETING

The Management Committee of the Body of European Regulators of Electronic Communications (BEREC) at its 3rd plenary meeting held in Helsinki on 27th and 28th of May and following an open competition selected Mr Ando Rehema for appointment as the Administrative Manager of the BEREC Office.

BEREC was set up under EU law to develop and disseminate among NRAs regulatory best practice to ensure the consistent application of the regulatory framework and to provide opinions and advice to the European Commission. The BEREC Office will provide professional and administrative support to BEREC.

The Administrative Manager's responsibilities include heading the BEREC Office and supervising the implementation of the Office's annual work programme.

The process for confirming Mr Rehema as Administrative Manager will continue with a hearing before the ITRE Committee of the European Parliament after which the Parliament may issue a non-binding opinion.
