Google maps from Mainz station to Federal Network Agency Mainz

From Mainz main station take tram line 50 (direction Finthen/Römerquelle) or line 51 (direction Finthen/Poststraße) to the stop "Elbestraße" (travel time approx. 12 minutes). From there, walk about 300 m along Werrastraße, at the end turn left into Canisiusstraße.

As an alternative to the tram, bus line 6 runs from the train station to BNetzA Mainz. Depending on your choice of hotel, this can be more comfortable (For example if you stay at the Intercity Hotel Mainz).
