

Short CV

Dr Daniela Brönstrup

Dr. Daniela Brönstrup is one of the two vice presidents of Federal Network Agency (Bundesnetzagentur). She took up her service on 1 June 2024 and her responsibility includes telecommunications and rail.

Previous to her current position, she was Director-General for Digital and Innovation Policy in the German Federal Ministry for Economic Affairs and Climate Action (BMWK). Prior to that, she was Deputy Director-General for Telecommunications, Media and the Postal Sector as well as International Digital Policy in the German Federal Ministry for Economic Affairs and Energy (BMWi). From 2010 to 2015 she was Head of Division for International and European Economic and Monetary Affairs as well as Fiscal Policy at the BMWi. From 2007 to 2010 she was responsible for economic affairs, finance, labour and social security at the Office of the Federal President. Ms Brönstrup holds a doctorate in economics and is a graduate of the Cologne School of Journalism.
