Mr. John-Eivind Velure

Director General
Norwegian Communications Authority (Nkom)
Norway

John-Eivind Velure (1976) has been working at the Norwegian Communications Authority (Nkom) since 2004. Before this, he worked as a Senior Engineer in the Norwegian Army. Velure was the Director of Nkom's Spectrum Department from January 2015 until he became Acting Director General in March 2024. Since October 2024, he has held the position of Director General.

Velure holds a Master of Science in Engineering from NTNU, specializing in electronics and telecommunications. He has extensive experience in the regulation of electronic communications, both internationally and nationally. Velure has also participated in international work within ITU, CEPT, and the EU system.
